

KEEPING YOUR TRUCKS **ON THE ROAD** WITH AN UPTIME ADVOCATE

This streamlined, single point of contact is dedicated to getting your trucks in and out of the service bay as fast as possible.

THIS IS MIKE,
he is your UpTime Advocate.

Uptime Advocate Benefits:

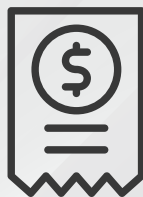

- Checking the **repair history** of the truck and identifying if any **recalls** or **new calibrations** need to be performed

- Giving you the **status** of your truck throughout the **service** and process

- Working the service event with the dealer service department to **address** any issues and **streamline** the service experience

- Locating parts and if needed **engage** Navistar teams to **source** and **expedite** orders.

**Your Dedicated
Support System**

(866) 441-4885

Receive greater uptime for your truck with a dedicated advocate team to assist with the oversight of your repair process through the shop. OnCommand® Connection paired with Uptime Advocate Service is a true management solution targeted to fewer roadside breakdowns and de-rate events. With the largest dealership network nationwide, you can choose from 700+ International® Dealership service locations for your repairs.
